

Dear DRC Pastor,

I pray you are doing well.

There is no doubt that our country is in deep trouble and in need of much prayer!

We all celebrate the many prayer initiatives that are taking place from various quarters across the country, but one can only imagine the impact, if all these initiatives decided to come together for a concentrated time of prayer.

I recently watched a video from Jonathan Cahn called “The Return” in which he is calling people across the USA to come together for a time of repentance and prayer in September of this year. I was deeply impacted by it. In the video, Jonathan says that if anyone watches the video from another country, they may want to own “The Return” for their country too, and this is what this letter is about.

Please take a few minutes to watch the video here: <https://m.youtube.com/watch?v=cn9wlzsFKzc>

Last week a group of pastors from widely differing backgrounds decided to combine efforts to rally a massive prayer response across the nations, as a result of a common unifying call to repentance and prayer for revival. In a Zoom meeting the question was asked if we should consider doing a “The Return” in South Africa. The response was overwhelmingly yes.

We, as pastors, are responding to what we believe is a Kingdom Call to repentance and prayer for such a time as this. Revival is in the air and we’re inviting everyone to join us for this one-off event on 26th September 2020 from 3pm South African time.

We felt that the Lockdown creates the perfect scenario to have an hour of national prayer that is relayed via YouTube to the homes/workplaces of believers where families or individuals can gather together to stand in prayer and agreement across the country. So, in a real sense, it is a groundswell movement where pastors, leaders and individual members of the Body of Christ go out of their way to invite members, family, friends and cell groups and more to join in “The Return South Africa.”

We felt that it is imperative that “The Return South Africa” must be an open invitation to all churches and ministries from all backgrounds to participate.

How will it work?

Around twenty to thirty leaders from across the country will meet for a one hour highly focussed Zoom prayer meeting on the 26th of September 2020 from 15h00 – 16h00 to lead the nation in a time of repentance and prayer. The Zoom meeting will simultaneously be broadcast on YouTube, so that anyone across the country, or anywhere in the world, can join us in an hour of prayer.

By way of this letter, I would like to ask you to join the action and participate to get at least one hundred cities and towns involved and have hundreds of thousands of people to pray together during “The Return South Africa.”

This can only happen if we all come together and sound a trumpet call and get our people, members, family and friends to join in on YouTube on the 26th from 15h00 – 16h00.

This is a movement, an appointed time, and a specific day set apart for one purpose – the return to God, that there be a coming before His presence in humility, in sincerity, in prayer and repentance.
