

Daar is altyd HOOP. Die kleur groen verteenwoordig die nuwe lewe wat
Lente bring! 🌱🌸

Hier is 'n paar Stories van HOOP

CMR Ivory Park is caring with passion

A maternal grandfather brought his two grandchildren to a CMR social worker after their mother passed away. The children had no birth certificates and as result, they were not admitted to the nearest school. The school that did admit them was far from home and the travelling cost was taking up all their money.

13-year old HIV boy shows us what he is made of

Tsepo's* story is an example of the important work social workers are doing. Cases like this motivate social workers tremendously and make that burned out and emotional moments worth it.
